

# NORTH TEXAS ZERO EMISSION VEHICLES (NTxZEV) WORKFORCE DEVELOPMENT TASK FORCE

NCTCOG seeks to form a task force of regional experts to assist in creation of a workforce development plan to facilitate successful adoption of zero emission vehicles (ZEV) in North Texas.

## Upcoming Listening Sessions:

June 3, 2026 10-11 AM CT  
June 10, 2026 10-11 AM CT

## Task Force Goals:

- Identify regional roadblocks.
- Analyze labor needs.
- Make priority investments to address gaps in training.

## Expectations for Task Force:

- Provide expertise and insight.
- Participate in periodic meetings.
- Promote and distribute workforce development materials.

## Ready to join?
